guiding questions to address a client's presenting problem in the first sessions. Solution Focused Therapy has a very specific format for asking the client questions which keeps the client focused on the present and future. Questions about the past are primarily a means of gathering information about the client and showing the therapist's

### **Initial Session Solution-Focused Questions - Between Sessions**

It is the second book in a three-volume set, with the first book focused on SFT and anxiety, and the third book focused on SFT and trauma. Bannink originally published 101 Solution-Focused Questions in 2010, which begs the question whether the three-volume set was needed.
