lessons from my years of experience. This book, Step by Step Trading, will walk you through the essentials of this fantastically interesting but demanding craft and teach you its main do's and don'ts. I believe that less is more in trading. Most traders needlessly complicate their work and hurt their results instead of improving them.

shows that it is very difficult for people born into poverty to achieve an education and earn a living wage. Housing. 1 in 4 working households in America (10.6 million families) spend more than half of their pre-tax income on housing. This is a level that experts say is unhealthy, if not impossible, to sustain.
