South African property law regulates the "rights of people in or over certain objects or things." It is concerned, in other words, with a person's ability to undertake certain actions with certain kinds of objects in accordance with South African law. Among the formal functions of South African property law is the harmonisation of individual interests in property, the guarantee and protection ...

Accession has different definitions depending upon its application.. In property law, it is a mode of acquiring property that involves the addition of value to property through labor or the addition of new materials. For example, a person who owns a property on a river delta also takes ownership of any additional land that builds up along the riverbank due to natural deposits or man made deposits.

Nearly all Texans know that Texas is a "community property state." But Iâ€™m not sure how many really know what that meansâ€”Iâ€™ve learned that most people think it means that each spouse "gets half" of everything. But if it were that simple, estate planning and divorce lawyers would be jobless. So Iâ€™ve devised this crash course in Texas marital property law to give you a basic ...
