It is no small credit to the author, that this object has been satisfactorily attained; and that while his treatise embraces the experience of preceding writers, it at the same time exhibits throughout that judicious selection and comment which bespeaks a practical acquaintance with all the details entered into. The work is divided into two parts.

A Practical Treatise on Abdominal Herniaby Thomas Pridgin

The success of two Editions of the Treatise on Brewing, has encouraged the Author to offer to the Public a Third Edition, carefully revised and corrected. A considerable quantity of important matter has also been added, which has had the benefit of being revised by Professor Graham, of the London University, whose eminence in the science of Chemistry is universally acknowledged.
