Housing Assistance for Single Mothers - Single Moms

Reports and Publications. Our publications range from in-depth reports by leading minds on children's issues to ongoing updates about our programs and humanitarian response efforts.

Reports and Publications | Save the Children

A mother is the female parent of a child. Mothers are women who inhabit or perform the role of bearing some relation to their children, who may or may not be their biological offspring. Thus, dependent on the context, women can be considered mothers by virtue of having given birth, by raising their child(ren), supplying their ovum for fertilisation, or some combination thereof.

Child Abuse and Neglect Fatalities 2016: Statistics and

The Guttmacher Institute is a primary source for research and policy analysis on abortion in the United States. In many cases, Guttmacher's data are more comprehensive than state and federal government sources.

United States Abortion | Guttmacher Institute

Fetal abduction refers to the rare crime of child abduction by murder of an at term pregnant mother and extraction of her fetus through a crude cesarean section. In the small number of reported cases, few pregnant victims and about half of their fetuses survived the assault and non-medically performed cesarean.

Fetal abduction - Wikipedia

More babies were born to Christian mothers than to members of any other religion in recent years. Less than 20 years from now, however, the number of babies born to Muslims is expected to modestly exceed births to Christians.

The Changing Global Religious Landscape | Pew Research Center

Single moms, who are mainly raising their families on their own, are very often in need of help. One category of help is housing resources for single mothers, and the avenues of assistance available to these females will be examined.
