English Language Arts Standards Download the standards Print this page The Common Core State Standards for English Language Arts & Literacy in History/Social Studies, Science, and Technical Subjects (the standards) represent the next generation of K-12 standards designed to prepare all students for success in college, career, and life by the time they graduate from high school.

English Language Arts Standards | Common Core State

An elementary school is the main point of delivery of primary education in the United States, for children between the ages of 4-11 and coming between pre-kindergarten and secondary education.. In 2001, there were 92,858 elementary schools (68,173 public, 24,685 private) in the United States, a figure which includes all schools that teach students from grade one through grade eight.

Elementary school (United States) - Wikipedia

Educational standards describe what students should know and be able to do in each subject in each grade. In California, the State Board of Education decides on the standards for all students, from kindergarten through high school.
