the trap to hold the door open. If there is a back door on the trap, it may be removed as well. Creating a tunnel-like pre-baiting situation may be necessary if the traps are left unattended (not recommended), leaving the cats at risk of getting trapped by someone other than the caretaker.

Pre-Baiting the Traps

Baiting a trap or snare increases your chances of catching an animal. When catching fish, you must bait nearly all the devices. Success with an unbaited trap depends on its placement in a good location.
