basic human rights and pdf

Human rights are moral principles or norms that describe certain standards of human behaviour and are regularly protected as natural and legal rights in municipal and international law. They are commonly understood as inalienable, fundamental rights "to which a person is inherently entitled simply because she or he is a human being" and which are "inherent in all human beings", regardless of ...

Universal Declaration of Human Rights - OHCHR

While belief in the sanctity of human life has ancient precedents in many religions of the world, the idea of modern human rights began during the era of renaissance humanism in the early modern period. The European wars of religion and the civil wars of seventeenth-century England gave rise to the philosophy of liberalism and belief in human rights became a central concern of European ...

Basic Human Resource (HR) Audit Checklist

The protection of fundamental human rights was a foundation stone in the establishment of the United States over 200 years ago. Since then, a central goal of U.S. foreign policy has been the promotion of respect for human rights, as embodied in the Universal Declaration of Human Rights. The United States understands that the existence of human rights helps secure the peace, deter aggression ...

The Universal Periodic Review is a process undertaken by the United Nations Human Rights Council. It
involves review of the human rights records of all 192 Member States once every four years. The ultimate
aim of the Review is to improve the human rights situation in all countries and address human rights
violations wherever they occur.
