the rules of the Man Box being communicated and reinforced throughout society; particularly those related to acting strong, being the primary income earner, and not saying no to sex. Our findings correspond with those from the US, UK and Mexico. The pressures relating to being a man are everywhere in society and are reinforced and influenced

The Man Box - jss.org.au

Reflections: On Being a Man in Social Work The title of this paper holds the two sides of being a man in social work. On the one hand we have the issue of work-ing with men as clients. For too long men have been the "hidden gender in terms of social intervention and helping processes." (Ferguson, 1998, p.33). While men have been left out of ...
