In their practice the Glasite churches aimed at a strict conformity with the primitive type of Christianity, as understood by them. Each congregation had a plurality of elders, pastors, or bishops, who were chosen according to what were believed to be the instructions of Paul, without regard to previous education or present occupation, and who enjoy a perfect equality in office.

Introductory notes. The subject of this chapter of our TrotskyanaNet site is not the Trotskyist press in general, i.e. the serials (or, periodicals) produced and disseminated by the numerous national parties and groups or international bodies claiming adherence to Trotsky and/or to Trotskyist positions in past and present. Those publications were dealt with in our Trotskyist Serials ...
