The General Certificate of Education (GCE) Advanced Level, or A Level, is a main school leaving qualification in England, Wales, Northern Ireland, the Channel Islands and the Isle of Man. It is available as an alternative qualification in other countries. It used to be the case that students would study over a two-year period, and that they would sit examinations at the end of each year (AS and ...

x Dakin et al. show that perception of verticality is excessively affected by rotating visual scenes and visual noise in people with a form of genetic cerebellar degeneration. This increased reliance on visual cues strongly suggests that the human cerebellum processes vestibular signals from the inner ear for the brain to estimate which way is up.
